TOP 5 REASONS TO GIVE

We get it. You are asked to give to a lot of different charities, non-profits, politicians and family members each year. Here at SeniorLAW we want to simplify your choices by giving you our top 5 reasons to give to us. And here's why we think you'll be encouraged to go above and beyond:

1

It's an investment in the effort to achieve elder justice. It's bigger than you and me. It's a lifetime of ending elder abuse and financial exploitation and keeping our grandparents in their home. For each dollar spent on legal aid, there is an \$11 return to PA and its residents. Join the movement.

2

It's life or death. Seniors who are victims of abuse are 3 times more likely to die prematurely. Your gift saves lives.

3

It's you and me. Okay, maybe not immediately, but the truth is we are all aging. You can become a part an intergenerational approach to life that reminds us that we all need each other in order to win the battle of justice for all.

4

We're the only one of its kind. SeniorLAW Center is the only nonprofit in Pennsylvania focused solely on protecting the legal rights of Pennsylvania's seniors. That's in all 67 counties!

5

Your dollars = direct impact. All of our services are free. **All.** Over 75% of the seniors we serve are living below poverty and 78% of the seniors we serve are minorities. They need you.
