

# IMPORTANT VOTER ID RALLY

**WHAT:** Voter ID Rally

**WHEN:** Thursday, July 19, 2012, 12 noon

**WHERE:** Peoples Plaza • 5th and Market Street (*Southwest Corner*)  
Philadelphia PA 19106

Join AARP and other community partners for a rally in support of the American Civil Liberties Union (ACLU) lawsuit challenging the Voter ID law in Pennsylvania.

Hundreds of thousands of Pennsylvanians could be shut out from the voting process because they don't have the "right kind" of photo identification under the new Pennsylvania voter ID law.

According to state election officials, over 758,000 registered voters in PA lack the necessary ID to vote in the November general elections.

This burden will fall heaviest on vulnerable populations, especially the elderly, economically disadvantaged, diverse communities and Philadelphians in general.

This is an important rally that AARP hopes you will attend.

Please share with your community networks and friends.

The more individuals that attend, the greater the chance our voices will be heard!

**Free AARP T-shirts to first 100 attendees.**
