Potential Scams:

- Provider Scams: Fraudsters attempt to get payments from you by claiming to be medical provider who has treated family members.
- Charity Scam: Fraudsters attempt to get donations connected to COVID-19
- Health Care Fraud Scam: Fraudsters offer free fake COVID-19 testing to get personal I.D. or insurance information.

Report and suspected COVID-19 fraud to the Department of Justice National Center for Disaster Fraud at 866-720-5721 or PA State Attorney General at <https://www.attorneygeneral.gov/submit-a-complaint>.
