GSK Celebrates 2022 IMPACT Award Winners

- Investments now totaling nearly \$14.5M to improve health in the Triangle (North Carolina) and Greater Philadelphia regions

GSK [LSE/NYSE: GSK] is honoring 20 nonprofits for their outstanding contributions to improving health in the Triangle (North Carolina) and Greater Philadelphia regions. The 20 IMPACT Award winners (10 per region) are receiving \$50,000 each to support their organizations' missions to build capacity to improve the health and welfare of individuals often underrepresented in their local communities.

To date, GSK has awarded over \$14 million in unrestricted funding to local nonprofits across the two regions that are home to its US corporate hubs. Unrestricted funding allows the nonprofits to use the money for any purpose furthering their work.

Maya Martinez-Davis, President, US Pharmaceuticals, GSK said: "We're pleased to provide funding to nonprofit organizations that connect underserved communities with access to critical services like community safety, education, employment, affordable housing, family/social support, nutrition and activity programs. At GSK, we aim to improve health equity in the communities where we live and work through programs like the IMPACT awards."

The GSK IMPACT Awards will be given during a virtual ceremony at 11 am ET today.

Each year, the winners are selected by a panel of GSK and community leaders through a competitive process. The winning nonprofits needed to demonstrate that they improve community health through innovative ideas, measured outcomes, collaborative partnerships, accountability and racial equity.

In the Philadelphia region, the GSK IMPACT Awards are presented in collaboration with Philadelphia Foundation (@PhilaFound).

Pedro A. Ramos, President and CEO, Philadelphia Foundation said: "We are fortunate to have a corporate partner like GSK here in the Philadelphia region. GSK's IMPACT Awards bring a thoughtful and consistent approach to supporting well-run nonprofits. The flexible, general operating dollars these IMPACT Awards provide are precious to the organizations that receive them as is the endorsement they reflect."

In the Triangle region, the GSK IMPACT Awards are presented in partnership with Triangle Community Foundation (@TriComFdn).

Lori O'Keefe, CEO and President, Triangle Community Foundation said: "It's been an honor to join GSK in achieving our mission of a better Triangle for all residents. GSK shares our understanding and appreciation for the nonprofits that fulfill critical needs of communities in our region that can most benefit."
